VOLUME 51

v. 51

The number of records in this volume is 10,737, or 21,474 names which have been alphabetically reclassified to both men's names and women's names, latter by volume following this.

They were copied from the records in the office of the county clerk by Miss Lettie May from of Mrs. Myrtle Miller, Des Moines, Iowa. She was assisted by Mrs. Myrtle Miller who copied 100 records, and by Mrs. G. W. Miller who copied about 200 records, the remainder were copied by Miss Page. This was a stupendous task for which Miss Page receives the thanks of the chairman.

The records were clipped apart, sorted and arranged alphabetically and typed by Mrs. Marjorie Pardee Pigsley of Winona, Iowa. She was assisted by Mrs. Lorraine West Tobias, and both ladies covered the typing. Corrections and additions were made by the chairman, Mrs. Miller.

The marriage records from 1835 to 1845 are to be found in Volume 5.

The first marriage in this volume is Jan. 4, 1846. The last are June 30, 1847.

SCOTT COUNTY MARRIAGE RECORDS

The number of records in this volume is 10,737, or 21,474 names which have been alphabetized according to both men's names and women's names, latter in volume following this.

They were copied from the records in the office of the county clerk by Miss Hetta May Pope of 804 Kirkwood Blvd., Davenport, Iowa. She was assisted by Mrs. Mary Snider who copied 140 records, and by Mrs. C. W. Jones who copied about 200 records, the remainder were copied by Miss Pope. This was a stupendous task for which Miss Pope receives the thanks of the chairman.

The records were clipped apart, sorted and arranged alphabetically and typed by Mrs. Marjorie Pardee Pigsley of Atlantic, Iowa. She was assisted by Mrs. Lorraine West Tobias, and both ladies checked the typing. Corrections and additions were made by the chairman Mrs. Miller.

The marriage records from 1838 to 1846 are to be found in Volume 8.

The first marriage in this volume is Jan. 4, 1846.
The last are June 30, 1880.

Explanatory notes are on next page.

There are 236 pages in this volume.

SCOTT COUNTY IOWA MARRIAGES

EXPLANATORY NOTES:

It has been difficult to determine the names in this index. The researcher should look for all possible spellings of the name involved, and should look at both male and female lists, also under first names in some instances where the name is doubtful. Abraham Isaac might be Isaac Abraham.

The letters B, P and R, F and T, H and K, were made quite similar and it has been impossible to determine which is meant.

The old form of the "double s" has been confused, undoubtedly, in the copying, with the letters "ps". For example, Haps is likely Hass; Kops is likely Hass.

Hass, Hasse, Hops, are all probably the same name. Dan, Don, Dawn, Dau, Dow, are further examples of spellings. The name Joham is likely Johann.

The names being largely German, part of the difficulty may be due to this fact. The German "a" is easily mistaken for "o".

The compilers have tried to alphabetize the list as best they could with all possible spellings of the names, but it is very likely that some have been missed.

The word "legal" following a name refers to the age.

In the dates the monthstands first: 1-2-1872 is Jan. 2, 1872.

A letter underlined: Dau n is Dau or Dan.

A figure underlined means the same as a letter underlined, that the compiler is unable to determine which is meant.

A question mark ? means the compiler is in doubt.

An asterisk * means look elsewhere on the page. It also means that the name may be out of order alphabetically.
